

# Kids Ministry Updates...

## COVID-19

- We're encouraging masks to be worn while in the class by both the children and teachers.
- The first phase of our reopening will be Sunday School for K-6th grade.
- **We simply ask that families sign a waiver.**
- Prepackaged snacks will be available.
- **Please have your children wash their hands before entering the classroom.**
- One parent or guardian for dropoff/pickup.
- One entrance/exit. (welcome center)
- We're now offering express check in for parents. The app allows you to complete these steps at home or in the parking lot to limit possible touch points upon arrival.
- We are taking temperatures upon arrival.
